About Mutaz Barshim and Aries Merritt:

Mutaz Barshim is training in Malmö this week with his Swedish coach, Stanisław Szczyrba . He is extremely focussed on BAUHAUS Galan, especially since it is the last competition before the World Athletics Championships in Beijing. Therefore we have agreed that he can skip the press conference and arrive in Stockholm on Wednesday evening.

However, he will stay on after the competition and will be making an appearance on Saturday morning at Stockholm BAUHAUS Athletics Youth which is taking place in the Olympic Stadium over the weekend.

Aries Merritt has cancelled his participation at Stockholm BAUHAUS Athletics.
