WELCOME TO STOCKHOLM

Dear Athletics Friends,

Welcome to Stockholm and BAUHAUS-galan, one of the stops on the Wanda Diamond League circuit. We are proud to present a top-class athletics' meeting with a lot of interesting global and Swedish stars!

Our staff are keen to offer a professional and high level of media service. Please don't hesitate to ask if you have any questions.

The Stockholm Olympic Stadium is the oldest Olympic arena still in use. We are proud of this stadium and its 110 years old history even if there are some practical challenges running a modern meet in such an old stadium. However, we believe it's more than worth it to experience world-class athletics in this classic arena.

In this media information we hope that you will find all the practical information you need, but we are available to assist you with any further questions you may have. Once again, welcome to BAUHAUS-galan, a part of the great Wanda Diamond League!

Kind Regards,

John-Eric Ericsson

ENTRANCE TO THE STADIUM

Entrance to the stadium is on Lidingövägen near the Clock Tower. Look for the tower and when you get close to it you should see a sign saying 'Klocktornet'. You're in the right place. Just to the right of that 'Klocktornet' sign is the media entrance. For those acquainted with the stadium, the clock tower is located just at the end of the home stretch, close to the finish line of the track.

MEDIA CENTER

Sub-media center

The sub-media center is located at the official meeting hotel, Scandic Continental. It will be found at the conference floor (second floor). The sub-media center will be opened from Wednesday 29th June, but only staffed during the hours marked below. During the press conference, a temporary sub-media center will be available at BAUHAUS. The Welcome desk at the hotel can help you with your accreditations.

Opening hours

Wednesday, 10 am - 8 pm, (staffed 6 pm – 8 pm)

Thursday, 10 am – 3 pm

Main-media center

The main-media center is located at the Stockholm Olympic Stadium.

Opening hours

Thursday 4 pm - end of meeting

MEDIA TRIBUNE

The media tribune is temporary built on the regular stands to accommodate you in the best possible way. There are certain limitations when working with a stadium that is 100 years old and this has been introduced as a measure to improve the situation for media from previous meets. The media tribune is located at the finish line, take left directly after entering.

Unfortunately we will not be able to accommodate all accredited media on our temporary media tribune. Please see seating plan on site if you have been assigned a seat. If not, please use the media center and the stands below the media center.

MIXED ZONE

All interviews with the athletes should take place in the mixed zone. In the case of a world record or other extraordinary event, a press conference may be held and you will be informed. You will reach the mixed zone through the media center.

PHOTOGRAPHERS

Tommy Holl (mobile.+46 70 318 94 33) is our photo chief during BAUHAUS-galan. He will be assigning people to the infield and setting the various photo zones. A photo briefing will be held at 6 pm (18.00) in Stockholm Olympic Stadium on Thursday 30th June in the photo room and on demand by contacting the photo chief. There will be signposts to the photo room and plenty of personnel on hand that can direct you there if necessary.

It's worth noting that there will be a 'no go' zone right after the finish line and about 30 m beyond it. We will have someone ensuring that this zone is kept free but do bear it in mind in advance.

For those of you who are taking shots from the stands, it's also worth reminding you that the places to stop and sit and take a shot are those where there are no spectators being obstructed from their view.

PRE-EVENT PRESS CONFERENCE

A series of press conferences will take place on Wednesday 29th June from 2.00 pm until around 3.00 pm at BAUHAUS Sickla, <https://goo.gl/maps/TwgPfH48vRQRfazZ7>. Detailed schedule and attending athletes will be sent to accredited media representatives before the press conference.

TRANSPORT

Public Transport

To the official meeting hotel

Scandic Continental is located directly in front of the Stockholm Central Station, just a short walk from the Arlanda Express track. Take the main exit and cross the street, see map below. From Arlanda Express follow the signs towards "Track 10", when you are in the main hall exit on the opposite side as "track 10". The media center will be located at the second floor, the conference floor.

To the Stockholm Olympic Stadium

The underground system (Tunnelbana, recognizable by a 'T' sign) is probably the best way to get to Stockholm Olympic Stadium via public transport. Take the red line to Mörby Centrum from Stockholm Central Station and get off at **STADION**. Take the exit that is closest to the front of the train and you'll find yourself right outside the stadium. The journey takes around 4 minutes from The Central Station (T-Centralen).

Taxi

We recommend you to choose some of the larger taxi companies in Stockholm:

Taxi Kurir: +46 8 30 00 00

WEATHER

Stockholm in the summer can provide many warm and pleasant evenings but there are no guarantees. We're in Scandinavia after all and those northern latitudes can result in cool evenings. A good tip is to make sure you have a warm top with you in case the temperatures fall. The sun might also be bright so bring a hat.

VERY WELCOME TO BAUHAUS-galan! - A world class event with a diamond feeling! - Wanda Diamond League.
